NORTH TEXAS WOODCARVERS GUILD 41ST ANNIVERSARY SHOW

It is with great pleasure that I welcome you to the 41th annual North Texas Woodcarvers Show and Sale. Several years ago we renamed the show “Rhapsody in Wood” which was very appropriate. A rhapsody is beautiful music and that is what we have in wood, beautiful art in wood. There is something in this show to fit everyone's taste, from the fancy to the mystical, realistic to the improbable, you will find something among the works of our many artists to meet your likes and needs. WE ARE PROUD TO PRESENT THE 41ST ANNUAL “RHAPSODY IN WOOD” FOR YOUR VIEWING PLEASURE.

For the many participants in our shows, current and in the past, I wish to express my sincere appreciation to you for your loyal support. It is you that have made this magnificent 41 year run possible. Thank you from myself and all the members of the North Texas Woodcarvers Guild (NTWG).

NTWG is one of the oldest woodcarving organizations in the state. This show, our 41st consecutive show, is a milestone for our guild of which we are very proud.

In recent years woodwork other than woodcarvings have been added to the show to enhance what the visitors get to see and to showcase some of the wonderful works that can be accomplished in wood. We have added wood turning, scroll saw works, intarsia and more. Each of these art forms have provided and insight into what an artist can do with wood.

What you see in a show like “Rhapsody in Wood” is the works of artists, that put many painstaking hours into the making of a particular piece. Take the time to study the detail of the object, see what the artist has done to make a pleasing piece of art for you. You will find birds and animals so realistic that you expect them to move. There will be caricatures to make you laugh, flowers to make you sigh and many sights to make you wonder...”How'd he do that”? Enjoy the many works of the artist in this show, ask them questions about their art, they will gladly share and above all, have a good time.

Thanks again to all, participants and guests for making this great 41 years possible.

Respectfully,
Steven L. Davis
President

Silent Auction

Every year the North Texas Woodcarvers Guild, as part of their show “Rhapsody in Wood”, sponsors a silent auction. NTWG needs the support of all carvers in this endeavor. The auction is a major source of income in support the show. Each participant in the show is asked to donate a carving to the auction.

This year, out 41st anniversary show, we are reintroducing a purchase award to the silent auction. Jean and Walter Wharton will provide a \$75 award for a carving that they will pick, if they find one to their liking. If they choose a carving, the \$75 will go to the carver that donated the carving. All remaining carvings donated will remain in the auction with the proceeds going to NTWG to help defray show expenses.

This is your opportunity to make a contribution to the show and possibly make some money in the process. Your carving should be well carved and meaningful.
